Introduction To Nanotechnology

By B.K. Parthasarathy

2007. Hardcover. Book Condition: New. 312 This books take an in-depth approach towards understanding nanotechnology, seeking to provide readers with a one-stop manual on the subject. It explores comprehensively the hype behind the science, the potential that it offers and the whole rigmarole that comes with it. The book expounds the history, techniques, principles, devices and the future of nanotechnology, with insights also being given on the scope, challenges, opportunities and the advent of this science in our daily life. The effort is to equip readers with an insightful and informative manual and it is hoped that the Endeavour bears fruit by proving highly useful to readers. About The Author:- B.K. Parthasarathy , a well-known teacher and researcher of physics, received his Ph.D quantum physics from England in 1982. He has a strong research background in nanoscience and technology.
