Little Men, first published in 1871, is the sequel to Louisa May Alcotts beloved classic Little Women and the second book of an informal trilogy, completed with Alcotts 1886 novel Jos Boys. Little Men is the story of six months in the life of the students at Plumfield, a school run by Professor Friedrich and Mrs. Josephine Bhaer, who is of course Jo from Little Women. Very loosely based on Alcotts own life, the unconventional school, where children keep their own gardens and experiment with running businesses, was most likely inspired by the failed school operated by her father, a transcendentalist and utopian. The story opens with the arrival of Nat, a shy young orphan accustomed to making his way by playing the violin, and it is through Nats perspective that most of the other characters are introduced. The school, which occupies the March home inherited by Jo, is the center of events for a group of over a dozen children, and the story follows their relationships and their activities with one another and various adults, as well as Jos sons Rob and Teddy, who are younger than the others and not counted among the pupils. As with many of Alcotts stories, the house and grounds, modeled on her familys home, provide the setting, and in some respects almost function as a character in the story. Born in 1832 in Germantown...
