Knopf. 1 Cloth(s), 2013. hard. Book Condition: New. This first publication of the letters of one of America's most consistently admired writers is both an exciting and a significant literary event. Willa Cather, wanting to be judged on her work alone, clearly forbade the publication of her letters in her willeven so, more than 65 years after her death (and with her literary reputation as secure as a reputation can be), the letters have become available for publication. The voice heard in these letterssome of them to Sarah Orne Jewett, Robert Frost, Yehudi Menuhin, and Sinclair Lewisis one we already know from her fiction: confident, elegant, detailed, openhearted, concerned with profound ideas, but also at times funny, sentimental, and sarcastic. "This prodigious editorial feat gives readers a glimpse for the first time into the mind of the Pulitzer Prizewinning author of O Pioneers! . Throughout, Cather emerges as a humorous, profound, and difficult personality whose cosmopolitan life and commitment to crafting a successful public persona should challenge misconceptions."Publishers Weekly (starred review)"[Andrew] Jewell and [Janis] Stout have performed a valuable service with this book, from which Cather emerges as a strong and vivid presence, a woman at once surprisingly modern and touchinglyif not always sweetlyold-fashioned. As a pure prose stylist, she ranks with Hemingway; as a self-made American artist and feminist pioneer, she traveled a far greater distancefrom tiny Red Cloud to Manhattanthan Fitzgerald did when he made the leap from middle-class St. Paul to Princeton. These letters bring her fuzzy image into much sharper focus, and for that we owe Jewell and Stout a debt of gratitude."NYTBR 696.
