Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Although God does not change, he changes times and seasons. There is a reason for every season. What is God s agenda for the 21st century? This book is about understanding the times and knowing what the church ought to do. The author believes, and it is true, that unless we know where we are and where we ought to be going, we may never get there. This nine-chapter book gives prophetic direction to the Body of Christ by showing, from the Bible, where we have been; and where we should be. This book posits, first of all that the Bible has a prophetic word for every century in Christian history. If Christ is in every book of the Bible, then the church is also in every book of the Bible. This is meticulously proven in this book. In this book, the author shows, especially, that the 21st Century is revealed in the Bible; and then guides to the reader to discover God s mind for the church and the nations in the 21st century. In this book, the author will help you understand, from the Bible, the times in which we live. You will marvel as you read. This publication is intended to help the reader be on the cutting edge of God s plan for this season. This book will be particularly helpful to Christian leaders, intercessors, Bible colleges/Seminaries, private students of God s word, and believers, who want to understand, not just times and trends, but also how to trend in this century.
