Dad or Alive (Library Edition): Confessions of an Unexpected Stay-at-home Dad

By Adrian Kulp

Tantor Media, Inc, United States, 2013. CD-Audio. Book Condition: New. Library ed. 170 x 163 mm. Language: English . Brand New. When Adrian Kulp first learned that he was about to become a father, he was essentially a teenage boy trapped in the body of a thirty-two-year-old high-powered executive. He did what his wife asked him to do: grow up. He packed away his Phillies baseball memorabilia, hid his GI Joes, and converted their guest bedroom from his private man cave into a nursery. Goodbye sticky beer cozy. Hello Diaper Genie.Based on his mercilessly funny and brutally honest blog, here is the hilarious story of one man s journey from being the one who brings home the bacon to the one who fries it-along with assembling the crib, learning how to accessorize his daughter, and flying with an infant for the first time. From attending numbing booze-free co-ed baby showers to navigating the Farmer s Market with a baby (and loaded diaper) strapped to his chest, to locking himself out of a childproofed toilet, this often sweaty and exhausted SAHD (stay-at-home dad) gets down and dirty about surviving life as a new parent-dad or alive.
