Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

Denise Pelletier, United States, 2015. Paperback. Book Condition: New. Roberto Gonzalez (illustrator). 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Emma takes the reader on a journey down the ski hill, where she collides with two bunnies. After the accident, they share an important message with her about wearing a helmet while skiing or snowboarding. Emma s Skiing Adventure weaves a short yet compelling story, mixed with a bit of humor that makes this message approachable for young children and their caregivers. The annual incidence of traumatic brain injury is conservatively estimated at up to 600 out of every 100,000 people in North America and Europe, with those five years and younger being at an increased risk. Emma s Skiing Adventure will open the channel of communication between children and parents on how everyone can take simple steps to be safe. Includes helpful tips on using helmets properly.
