Brand New Book ***** Print on Demand *****.Most books about pregnancy are targeting the mommy-to-be (understandably). This book talks to the guys. And doesn t use too many words to get the point across. Being a new mom, anticipating the new arrival of the precious gift can be a little scary. Being a new dad, seeing the changes that take place in this beautiful woman you love can be, well, terrifying. This 40 page book will give the guy what he needs in order to get through it. This book was formerly titled Helpful Advice for Expectant Dads from a Father of 10.
