Read that allow students to change study hard for clever reading mastery textbook knowledge; want to enable students to grasp the regularity on the knowledge and ideas ability; that allow students to have in the current examination system ability to sit for the comprehensive ability and quality. The level of the quality of teaching does not depend on teachers. textbooks. teaching methods. The above three aspects only improve the quality of teaching external students' desire for knowledge. motivation is internal. Now. many students are very passive. Their learning method is simple. backward. and a considerable degree of individuality and blindness. For example. preview the important step. it directly affects the 45-minute teaching quality. But at present due to poor students' independent learning ability. they expected to preview only be...
