Time Warner Trade Publishing. Paperback. Book Condition: new. BRAND NEW, Why Jesus?: Rediscovering His Truth in an Age of Mass Marketed Spirituality, Ravi Zacharias, We are facing one of the greatest crises in the history of religion. Truth is being cast aside in the name of tolerance and cultural relativism, all under the guise of a New Spirituality. Having become accustomed to abundance and the bliss of multiple choices, we now have a spiritual supermarket before us from which we may select whatever form of spirituality we desire. But tragically we often choose without knowing how to make a distinction between truth and falsehood. In this brilliant and compelling critique of the dangers of the New Spirituality, Christian apologist Ravi Zacharias applies some vigorous therapy to counter this assault on rational thought and shows why the uniqueness of Jesus matters.
