Zen Publications, Mumbai, 2012. Soft cover. Book Condition: New. 22 cms. 228pp. Am I-I Am is an assortment of delectable snippets from various talks of Karl Renz-talks which Karl often refers to as ?Living Words These Living Words are best described in Karls own words as those without a speaker, having no direction, are not teaching, give no advice and do not want anything from you. This, simply put, is the heart of the book. all you can say about the phenomenon named Karl is that the words that emanate from him are a relentless destroyer of all concepts-from the cosy to the profound. Using his livewire humour and trademark wordplay, Karl edges you so far beyond your pet concepts that at some point you may just find that you have fallen off into the void. An enigmatic feature of Karls words is that they are utterly bereft of intent or strategy. And surprise Something which otherwise would have been deemed fit to be dismissed as mindless prattle, has quite the opposite effect in this case of making one want for more and never having enough of it This spontaneous barrage of Kails words, steeped in carefree-ness and intentionless-ness, can be more destructive to whatever that can be destroyed than any conceivable tool of destruction. So, go ahead and enter this vortex of Absolute churning at your own risk-you may or may not get out.
