HE KILLED OUR JANNY A FAMILYS SEARCH FOR THE TRUTH

DOWNLOAD PDF

Paperback. Book Condition: New. Paperback. 252 pages. A shocking true story of domestic violence, physical and sexual child abuse, and a mothers fatal journey with a very evil man. The Peoples Book Awards: Kindle Winner January 2013 and HALL OF FAME; Amazon International Bestseller, and Winner of Top 10 True Crime Book Awards 2011 5 Stars! This book evoked so much emotion from me. . . Book voyeurs who are able to tackle tough subject matter will love this tale. --Kim Cantrell, TCBRThis book is the first to explore the mysterious death of Janyce Janny Hansen, a former top model from Denver, Colorado. She, along with her husband and children, live in an upscale home in the suburbs. The community sees an affluent, glamorous family. The reality is far different. An abused wife who cant let go. A husband who beats and sexually assaults his adopted children--while running gambling and prostitution businesses from their home. In the early morning hours of September 21, 1984, her husband returns home to discover her lifeless body in his Mercedes convertible parked in the garage--or so he says. Her family is led to believe she committed suicide. Now, 25 years later, her son and daughter set out to prove she was killed by her husband, a successful real estate developer rumored to have strong ties to city officials and underworld crime. Many believe the investigation into Jannys death was a cover-up--starting with the coroners office--and that her husband got away with murder. As their own investigation continues, they are led to believe their suspicions are true. Especially, since evidence increases almost daily and points to only one killer. Kindle and paperback editions include family photos and crime scene photos. EXCERPTS FROMTRUE CRIME BOOK REVIEWS by Kim Cantrell December 16, 2011The Hansens appeared to be...
