Human Rights First, United States, 2009. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.As the United States strives for a vigorous and effective response to radical Islamist terrorism around the globe, our country remains embroiled in an important and difficult national debate over when and how to detain and prosecute suspected terrorists. As part of this debate, some have argued for the creation of new, untested legal regimes to preventively detain and/or prosecute persons suspected of complicity in terrorism. However, often missing from the discussion is the fact that the federal courts are continuing to build on their proven track record of serving as an effective and fair tool for incapacitating terrorists. We have updated our May 2008 report, In Pursuit of Justice, to include cases and developments from the past year. Our research shows a conviction rate of more than 91 since September 11, 2001 and many notable successes in a wide variety of terrorism prosecutions.
