Language: English Brand New Book ***** Print on Demand *****.Excerpt from Monograph on Flavoring Extracts With Essences, Syrups, and Colorings: Also, Formulas for Their Preparation; With Appendix, Intended for the Use of Druggists One need not expect that in the perusal of this book he will find formulas for all the fine flavors of the Orient, how best to mix the paste of almonds with sugar, or how orange blossoms are to be beaten with honey, nor how to place the sprig of mint to best flavor the cup of greenest tea, nor yet the proper mode of applying the water of roses to the already finely flavored tobacco of the East which the opulent Moor does most delight in. It lays claim only to Caucasian civilization. In presenting this monograph, we hope to supply a legitimate want; namely, to furnish the druggists of America with a concentrated collection of facts on the composition and manufacture of Flavoring Extracts and Essences.
