Dimensions: 9.0in. x 6.0in. x 0.4in.I cannot understand the people who take literature seriously; but I can love them, and I do. Out of my love I warn them to keep clear of this book. It is a collection of crude and shapeless papers upon current or rather flying subjects; and they must be published pretty much as they stand. They were written, as a rule, at the last moment; they were handed in the moment before it was too late, and I do not think that our commonwealth would have been shaken to its foundations if they had been handed in the moment after. If the reader is the fine conscientious fellow I take him for, he will at once reply that he would rather on the spur of the moment write ten Timesarticles than one Tit-Bits joke. Responsibility, a heavy and cautious responsibility of speech, is the easiest...
