Policy Matters: Economic and Social Policies to Sustain Equitable Development (Paperback)

Filesize: 6.03 MB

Reviews

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover. ***(Prof. Kip Spinka IV)***

ZED BOOKS LTD, United Kingdom, 2007. Paperback. Book Condition: New. 240 x 156 mm. Language: English . Brand New Book. Policy Matters advances the analytical debate in elaborating relevant economic and social policies to achieve more sustainable and equitable development in our times. Early chapters underscore the importance of ensuring equity, not only as a desirable end in itself, but also to enhance economic growth and ensure social stability and political security. The following chapters suggest that the promises of trade and financial liberalization have not been realized. Trade liberalization may well have worsened unemployment as well as working conditions besides undermining existing productive capacities and reducing the policy space for developing better and competitive new economic capacities. Meanwhile, financial liberalization does not seem to have contributed to economic growth while exacerbating economic volatility, instability and crises. The debates on scaling up aid and aid-induced welfare colonialism as well as appropriate monetary and exchange rate policies are engaged. The issue of poverty programme targeting efficiency and the social policy debate on universalism versus targeting conclude this rich and important volume.
