Brand New Book ***** Print on Demand *****.This is a true story about a period in my life when I was challenged almost beyond my limits. I had a sick husband, two small boys, and a house payment to make. I needed to be strong for my family. I was accustomed to being an independent, I can handle it gal. I tried to handle this on my own and fell short. Trying to look and act normal was monumental. I was forced to depend on God and my family and friends. The Lord walked me through safely to the other side, I was scarred, but still on my feet. Scars come with wisdom if we look for it. Throughout my struggle, I learned many lessons. This is the story of that time and some of the lessons learned from it. I found great comfort in the words of a friend who told me that death was the last blessing God could give us on this earth. A smile crosses my face when imagine the instructions God gives to the Death Angel. This is so hard to watch. My child has suffered enough. It s time for you to go to Earth and bring him/her home. I look forward to going home.
